

## Group Visits to Cincinnati Nature Center's Rowe Woods

### What is the Nature Center's Definition of a Group?

Cincinnati Nature Center defines a "group" as 12 or more people planning to visit together. There are several options for groups who'd like to visit the Nature Center's Rowe Woods location in Milford, Ohio.

### Group Rates and Self-Led Visits

Groups of 12 or more paying guests (children and/or adults) may enjoy a group discount when the group registers at least 2 weeks in advance. Current group prices are: \$6 adults (13 and up), \$3 children (4-12), no charge for children 3 and under. Fees must be paid in advance to the Registrar by the group leader except when an organization is registering online for a summer group reservation. Organizations/groups with a confirmed online Children's Summer Group Reservation should note payment details on the online registration form. Due to space limitations, bus parking is only available for preregistered groups. The Nature Center does not charge for parking.

### Group Information

- 1) The group leader must preregister at least two weeks in advance by contacting Registrar, Sharon Renner, at [registrar@cincynature.org](mailto:registrar@cincynature.org) or (513) 831-1711 ext. 129.
